## **Technical Instruction Sheet**

Page 1 of 1

- **Characteristics:** AKEMI<sup>®</sup> Crystal Clean is an acid- and lye-free cleaning concentrate made of surfactants, auxiliary materials, odoriferous substances and alcohols. The product is free from phosphates; the surfactants contained are biodegradable in correspondence with the legal regulations for surfactants.
- **Field of Application:** AKEMI<sup>®</sup> Crystal Clean is a fast drying cleaning product and especially suited for the removal of light dirtying e.g. light films of oil and grease, dirt on polished natural and cast stones as well as glazed and unglazed fine stoneware, clinker, ceramics and similar material. The surfaces are cleaned free of streaks.

**Instructions for Use:** 1. Dilute with clear water in the ratio of 1:50 up to 1:100.

Mixing chart for different concentrations:

	1:50	1:75	1:100
Crystal Clean	100 ml	approx. 70 ml	50 ml
Water	51	51	51

2. Clean surfaces with a clean, moist and absorbent cloth.

3. Pick up excess of wiping water with a cloth, let the surface dry.

**Special Hints:** - Concentrate cleaner must not be used on surfaces which are sensitive to solvents. In case of doubt, test on an inconspicuous area.

- For deep dirtying apply AKEMI<sup>®</sup> Crystal Clean undiluted or depending on the kind of dirtying apply AKEMI<sup>®</sup> Concrete Film Remover, AKEMI<sup>®</sup> Ceramics Intensive Cleaner, AKEMI<sup>®</sup> Algae and Mildew Remover, AKEMI<sup>®</sup> Disinfectant Cleaner or AKEMI<sup>®</sup> Stone Cleaner.

Safety Measures: see EC Safety Data Sheet

 Technical Data:
 Coverage:
 approx. 10-20 applications / litre concentrate (if applied according to the measuring chart above)

 Colour:
 colourless

 Density:
 approx. 0.98 g/cm³

 pH-value:
 approx. 7 (if concentrated)

 Shelf life:
 3 years approx. if stored in cool place free from frost in its tightly closed original container.

**Notice:** The above information is based on the latest stage of technical progress. It is to be considered as a non-binding hint and does not release the user from a performance test, since application, processing and environmental influences are beyond our realm of control.

Art. No. 10954, 10955, 10956
