CX Series

The new and unique CX series

The CX (Concrete Extreme) tools outperform the existing metal bond tools on the market. The CX series has longer life and better cutting rate which will save you time and money!

- For normal to hard concrete (C35-60)
- High resistant against heat
- Extremely high cutting rate
- Leaves a uniform scratch pattern
- Speeds up the grinding process
= save time and money

The CX Series comes both as double segments and single segments. Below you find the double segments.

EZ CX 2 Gold

(Item Number: 212191)

The ideal starting tool for normal to extremely hard concrete floors.

Also available: single segment version (212192).

EZ CX 3 Gray

(Item Number: 212194)

A finer starting tool with extremely good properties for normal to extremely hard concrete floors.

Also available: single segment version (212195).

EZ CX 4 Brown

(Item Number: 212196)

Should be used after EZ CX 2 or EZ CX 3.

Also available: single segment version (212197).
